Project Title: *SpongeBob SquarePants* Website

This will be a multiple-page website with top navigation and/or buttons for navigating between pages. Imagery would come from the series itself, such as characters and settings. Wikipedia link: https://en.wikipedia.org/wiki/SpongeBob_SquarePants

Home Page/Introduction – Introduce the series with basic info (when it started, who created it, tone of the show).

Setting – Talk about the setting of the series and where the story takes place (Bikini Bottom).

Main Characters – Features each main character with brief descriptions and voice actors.

Release/Episodes – Lists the show's release info, such as seasons, original release time, streaming, DVDs.

Behind the Scenes – Covers how the show was created and any notable production facts.
